I have elected to use a Private Provider to provide building code plans review and/or inspection services for the building or structure that is the subject of the enclosed permit application, as authorized by Section 553.791, Florida Statutes. I understand that the local building official may not review the plans submitted or perform the required building inspections to determine compliance with the applicable codes, except to the extent specified in said law. Instead, plans review and/or required building inspections will be performed by licensed or certified personnel identified in the application. The law requires minimum insurance requirements for such personnel, but I understand that I may require more insurance to protect my interests.

By executing this form, I acknowledge that I have made inquiry regarding the competence of the licensed or certified personnel and the level of their insurance and am satisfied that my interests are adequately protected. I agree to indemnify, defend, and hold harmless the local government, the local Building Official, and their building code enforcement personnel from any and all claims arising from my use of these licensed or certified personnel to perform building code inspection services with respect to the building or structure that is the subject of the enclosed permit application.

I understand that the Building Official retains authority to review plans, make required inspections, and enforce the applicable codes within his or her charge pursuant to the standards established by Section 553.791, Florida Statutes. If I make any changes to the listed Private Providers, I shall, within one business day after any change, update this Notice to reflect such changes. The building plans review and/or inspection services provided by the Private Provider are limited to compliance with the Florida Building Code and do not include review for compliance with Fire, Zoning, Flood, Landscaping, Engineering or Broward County Environmental.
